

Are You or One of Your Co-Workers Going to College and Majoring in Accounting or Finance?

In 1999, the Portland Chapter of CFMA formed a Scholarship Committee to provide scholarships to deserving students wishing to pursue careers in accounting or finance.

This year we are offering two \$3,000 scholarships to employees at CFMA member companies. Application forms are now available on the CFMA-Portland website.

Construction Financial Management Association

**Please see our website for a scholarship application form.
This year's application deadline is February 28, 2009.**
